

COVID-19 HEALTH & SAFETY MEASURES

CLASSROOM MEASURES

The health and safety of our students is of the utmost importance. To maintain a safe learning environment, we are reducing our in-person class size to a maximum of twelve students, increasing our cleaning frequency, screening our students for illness before each class and practicing physical distancing during class.

daily screening questions

physical distancing

wear a mask

frequent cleaning of spaces

hand washing

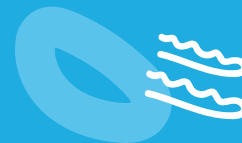

stay home if sick

smaller classes

bring your own water bottle

tie long hair back

STUDENT MEASURES

We also ask that our students aid us in creating a safe and comfortable learning environment. Students will be expected to stay home if they are feeling unwell, bring a replenished personal water bottle to class, tie back long hair and follow proper hand washing procedures. Students are required to wear a mask during class, with the exception of those who have health issues that prevent them from wearing one.
